2019 Annual Spring Conference

APRIL 6, 2019

Riverwind Casino · Showplace Theatre  
1544 State Highway 9 · Norman, OK

*"Happy Childhoods Last a Lifetime"*

**Sessions 1 & 2 "Raising Resilient Kids"**

The more resilient a child is, the more likely they are to deal with negative situations in a healthy way. Resilience is not an innate characteristic, but rather is a skill that can be taught, learned and practiced. Everybody has the ability to become resilient when surrounded by the right environments and people. We all have a role to play in promoting the great childhoods that children deserve. Join us for this engaging discussion led by Professors Joetta Gatliff & Kristin Hommel-Miller of Rose State College, Family Services and Child Development Program.

**Session 3 & 4 "How do I know and What do I do?"**

Recognizing and Reporting Child Abuse and Neglect is an interactive child abuse prevention training for teachers, parents, professionals and volunteers who work directly with children. Come learn the signs, symptoms and effects of abuse, as well as how to respond and report suspected child abuse in a safe way. Led by Shelby Lynch (Education Manager for The CARE Center), this training also includes an introduction to Rex the Lion. Rex and his animal friends take children on a journey to find his ROAR! ROAR is The CARE Center's child-based educational program that teaches children ages 4-8 how to protect themselves from abuse. This simple and memorable program teaches children that their bodies are their own and empowers them to stand up against abuse.
